

# Jacek Hacking

Front-End Web Developer

## PROFILE

Front End Web developer. I began learning how to code in late 2019 and dove full time into learning in 2021 with a full stack bootcamp. I have been continuing to educate and cement what I learned in my bootcamp by diving deeper into front end development tools, languages, and documentation. I continue to develop a better understanding of development by building websites and hosting websites as a freelancer.

## EXPERIENCE

**Teaching Assistant for 2U Full-stack web dev bootcamp — October 2022-present**  
TA for 2U full stack web development bootcamp. Responsible for individual student instruction, holding office hours and contribution to lectures.

**Intern at Aceiss Security / Freelance Web Development — 2022-Present**

Front End web developer intern at Aceiss working inside of a server-less AWS React app and front end development. Building web apps for small local businesses. Ranging from Massage Therapists Websites, to artist's personal portfolios, to altering old webpages for businesses looking to re-brand.

**Massage Therapist, Salt Lake City — 2020-Present**

Currently working as a Licensed Massage Therapist. Daily tasks include, managing client needs and expectations and designing personal treatment plans for every client.

**Personal Trainer, Personal Training Manager; Salt Lake City & Denver — 2014–2019**

Started working at Vasa Fitness in 2014 as a personal trainer. Managed up to 100 clients at a time before being promoted to manage the personal training team in Denver. Managed 6 trainers and their schedule and continuing education. Trained the sales department on best practices, and managed my own personal clientele.
